

Allocate NMI For Single Occupancy Form – Residential or Business Name

By filling this form, you give Red Energy consent to contact you to establish an energy account and to raise an allocate National Metering Identifier (NMI) service request to the applicable network for business or residential sites only.

Please complete all the required fields denoted by * in all the sections.

Important Notes:

- Please submit this form individually for a single electricity new connection request.
- Red Energy may request you or your nominated ASP for a stamped Deposited Plan (DP).
- Red Energy will undertake a mandatory Credit Check and has the right to refuse a NMI based on information provided.
- Please read Section 5 Consent in its entirety.
- It is mandatory that the “Nominated” ASP (Section 1 below) also undertakes the Service Work for the NMI to be processed.
- Red Energy may require Proof of the Load Application from the ASP before the form will be processed.
- All Network Charges from your respective Network will be allocated back to the Customer.

5.1 Your Privacy

By signing this form, you agree that for the site details listed in Section 3, that Red Energy (**we, our or us**) may contact you by any means (including phone, email or SMS) to discuss which energy plan is most suitable for you, to arrange an energy account with us and to verify your NMI request for the site listed in Section 3. If you are registered on the 'Do Not Call Register', you agree that such contact with you by phone will not constitute unsolicited telemarketing calls under the *Do Not Call Register Act 2006* (Cth). We, will not action any new NMI connection request until we make contact with and you agree to such NMI request. We may release information to third parties to enable us to fulfill the service request that you have made.

5.2 Privacy Collection Statement

We are collecting your personal information, such as your name, address and other contact details (**Information**) in order to contact you about our energy plans, to arrange an energy account with us and to verify and raise the new connection request. If we do not collect this Information, we may not be able to provide our services to you to the same standard or at all. If you provided us with the personal information of another person under Section 3, you must make them aware of the matters set out in this collection statement.

We will try to collect your personal information only from you, but in some cases we may collect personal information about you from third parties. If this happens, we will take reasonable steps to ensure that you are aware that your personal information has been provided to us and of the matters contained in this collection statement.

We will only collect, store, use and disclose your personal information in accordance with our privacy policy, available on our website at www.redenergy.com.au/privacy (**Privacy Policy**). This includes details on disclosures we may make to our related companies, service providers (including data management providers in Europe), contractors, and to other energy companies (where this is necessary for us to be able to supply our services to you), government and regulatory authorities and professional advisers, how you may access and correct Information, and how complaints may be made and will be handled. For more information on our privacy practices or to request a hard copy, contact our Privacy Officer at PO Box 4136 East Richmond Vic 3121.

5.3 Energy Charges

Please refer to <https://www.redenergy.com.au/basic-plan-information> for our pricing. The charges you incur will depend on your distribution network and your metering set up. These will not be confirmed until your connection is established. You will be set up the most common rate plan which can be without additional charge.

5.4 Release of NMI to Electrician or Accredited Service Provider (ASP)

Red Energy will set up an account for you and request an NMI from the network. When Red Energy has obtained the NMI for the property listed in Section 3, you provide consent for Red Energy to release the NMI to your ASP listed in the Section 1.

5.5 Fees

A connection fee may apply. This fee will be charged on your first bill from Red Energy. All other fees and charges between you and your ASP are your own responsibility.
